The Bulldog 1958

Foreword

With our school year swiftly closing we pause to catch a final glimpse of the happiness and friends we've had. Many things have happened this year we shall never forget. We find ourselves holding closely to our hearts the fond memories of this past year at C. H. S. The 1958 BULLDOG is yours. You made it; we preserved it through word and picture.

Superintendent's Message

In years to come, as you reminisce through these pages, you will relive these years of work, play, laughter, love, faith, and hope. This is the year of Sputnik. Some would have us to believe that all things must change or become worthless. Styles, models, methods, fashions, customs, folk ways, and more come and go, but the truth of all things never change. As additional truths are revealed, they must be respected, protected, and patiently woven into our way of life. You that have a quest for truth shall find a greater knowledge, a greater service, a greater life, a greater love, and God the Giver and Protector of all truth.
